

Greater Wilmington is the Hub of Clinton County. The region continues steady population and economic growth. The Clinton County area enjoys a diverse economy led by industrial, financial, retail, healthcare, tourism, and educational sectors. Easy access to Cincinnati and Columbus contributes to the diverse economy and market choices available to Southern Ohioans. Vibrant recreational, cultural, natural resources and activities enhance an excellent quality of life.

Dominant media influence is derived from nearby Cincinnati and Columbus. Wilmington is located within the Cincinnati DMA and borders the Columbus DMA (Nielsen Designated Market Area). Therefore, local television, radio and print media tend to be overshadowed and fragmented by dominant Cincinnati/Columbus and other regional media outlets.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Wilmington market area. Lind billboards deliver all of Clinton County for a fraction of the cost of other media outlets.
